Canapé

Canapè is the collection of two and three-seater sofas and armchairs with a controlled and distinctive shape, combined with excellent comfort which can be used in every type of environment. The padding in CFC-free and high-density polyurethane foam of the back and the deep seat ensures compactness and shape retention of the volumes, while the inner structure made in wood throughout guarantees strength and solidity. The GL model is enriched with artisan stitching with a square pattern.

Projects

Saint Vincent's Hospital, Dublino, Ireland (2015)
