

Soffio

Soffio ensures a correct postural position by synchronised adjustment of the angle of the slant between seat and back in five positions, with manual selection of the oscillation tension. The lower back support with height adjustment prevents spinal fatigue and the seat with custom depth allows the most comfortable position to be selected. The back covered with mesh or, in the new version, upholstered, guarantees breathability and strength.

Projects

Yammer, London, United Kingdom (2012)

NRS Media, Londra, United Kingdom (2012)

Stockholm Furniture Fair, Stoccolma, Sweden (2012)

Grammarly, Kyiv, Ukraine (2018)

Marriott, Moscow, Russia (2018)
