

## Spirit Air

Spirit, designed by Baldanzi & Novelli, is an operational and executive seat devised to ensure absolute postural excellence during work hours and long-term use. The back is fitted with a patented Freedom mechanism, which plies to the user's every movement to perfection. Spirit offers a very generous seat angle adjustment, making it unique in its category. The seat can be depth-adjusted to the desired position or left in its free position, for maximum ergonomics.
