

Joy

Le pouf Joy est la synthèse de motifs linéaires et géométriques inédits, qui jouent avec des proportions subtiles et des inclinaisons mesurées, relevées par un contraste de couleurs harmonieux. Un élément aux multiples destinations à la fois fonctionnelles et décoratives. Une assise attrayante pour les yeux dont on découvre le confort dès qu'on l'essaye. Disponible dans différentes versions et personnalisable dans son binôme de couleurs caractéristique et raffiné.
